CURRICULUM VITAE

PHILOSOPHY

“We help men get out of bad marriages and work only with men and fathers going through divorce, custody and family law matters in Nutley and Montclair, NJ. We also know how important seeing your children is to you, and that you probably have a complex financial situation. One promise I make to you: I will always tell you the truth, even if it’s a hard truth to hear.”

- Brad Micklin

EDUCATION

J.D., Widener University of Law, Delaware

B.A., Temple University, Pennsylvania

SUMMARY

You may recognize Brad from his **many TV appearances** discussing legal issues on CNN’s Headline News, Fox News, i24 News and the Law & Crime Network among other media outlets. Journalists call on him because as one of New Jersey’s leading family law attorneys, mediators, and litigators. He focuses his practice on helping men through one of the most difficult transitions in their life.

Brad is also an Amazon Best Selling Author for his book, ***How to Survive and Thrive When Divorcing a Narcissist.***

During the COVID-19 pandemic, Brad developed an innovative approach to divorce: he launched **E-Divorce** for couples seeking a divorce during this time. The process is conducted electronically with no need to meet in person.

Brad is known for his work with men involved in **high conflict divorces** and battles over child custody. He focuses on men going through a divorce because while men are starting to be awarded alimony and child custody, the attitude of some judges is changing too slowly, and he wants to shine a light on the new rights men and fathers have in family law matters.

He doesn’t consider himself a typical family law attorney. Even after his representation is concluded, Brad continues to offer his time to teach clients about the law and their legal rights post-divorce. He even hosts a **men’s divorce and custody support group**.

As managing partner of **The Micklin Law Group, LLC**, he prides himself in taking as much time as clients need to discuss concerns, hopes, fears, and desired outcomes at the end of the matter. As a result, he tailors his services to match his clients' overarching goals and budget.

CLIENT FEEDBACK

"Brad and his team zealously advocated for my interests, not just once, but twice. First, by thwarting a plot to modify my limited duration alimony obligation and second to make it permanent. This was a death sentence to me. Brad's ability to anticipate the opposition is why I can enthusiastically recommend him. Whatever the need, Brad will get you there. I am a client for life." – David P.

"We would like to thank you, The Micklin Law Group, LLC, for representing us in our divorce and civil suit. We really appreciate the time and patience given to us. I felt completely prepared for what I had to go through. You did everything you said you were going to do. Because of that, we are very happy to have left that burden behind us. But what I really wanted to mention was that we never expected you to be as good as you were during trial. You were completely prepared with all your documents and wellplanned arguments. Your closing argument was compelling. You reminded us of Perry Mason, now that I gave my age away on how old that TV show is. If ever you have any clients who want a reference, you can count on us. Again, thank you for making a difficult situation go away." – James M.

"Outstanding. Professional. I recommend Brad and the entire staff highly." – Daniel S.

"Mr. Micklin advised me in my best interests from day one. It was a breath of fresh air, after having met with several other attorneys that seemed to be in it strictly for the money. Brad took a personal interest in my case and I felt fully protected throughout the entire case." – Michael S.

"When my wife passed away I didn't know who to go to. My son told me to try The Micklin Law Group in Nutley NJ. I found Brad very professional, friendly, polite, confident, and assuring – he was the right person for me. Brad and his very helpful staff led me through the process of dealing with my wife's death without a will. I filed a will of my own and felt he had been my best choice. I do trust my son steered me to the right person. I am a professional person who deals with medical rehabilitation. I'm satisfied I made the best choice in this matter thanks to Brad and his staff" – Louis O.

"My experience with Brad Micklin was extremely positive! He leaves no stone unturned, is friendly, professional and knowledgeable of the law! I have e-mailed him many times and he will even answer via his Blackberry while in court! I highly recommended Brad Micklin!" – Daisy P.

"I was extremely pleased with Brad Micklin and his skill in trial. I am thrilled to have received the results I had hoped for. I've been in Court for over 15 yrs. (with other attorneys) 'fighting' my ex to do what's best for our child. Brad was my last hope and he came through. He worked hard and long on my case and kept me posted every step of the way. I also really enjoyed working with Brad's paralegal. From my experience, Brad was calm and kind but when it comes to Court, he was prepared for any scenario. I was so impressed with his knowledge and tactics. I highly recommend hiring Brad." – Mark D.

"I looked for an attorney who was local and who could get my Will done. I came across Mr. Micklin who was located in Nutley, NJ. When I met with him, he was knowledgeable about the law and took his time answering my questions. I had a free consultation and thought he would cut me off after 30 minutes, as other attorneys had, but he stayed with me as long as I needed, answering all of my questions. He was personable, articulate, patient and knew what he was talking about. My Will, the Living Will, and the Power of Attorney were very well written and ready to be signed in less than 2 weeks. Later I went back for some minor changes of my own, which were done quickly and efficiently. I would highly recommend Brad Micklin to anyone who needs legal help. He is honest, empathic and gets the job done." – Larry B.

"The Micklin Law Group, LLC knows and understands Family Law and Estate Planning. My wife and I have been using Brad as our Attorney for many years and recently employed his services for the most important issue in our lives to date: planning our Estate and Wills, as we have just had our first child. Brad has been very professional, responsive and extremely helpful in guiding us to make these very important and difficult decisions. I hope this is helpful for anyone shopping for a great lawyer. We will retain Brad again and again." – Spiro F.

EMPOWERING MEN FACING DIVORCE

“Having retained The Micklin Law Group for my recent family law needs I was impressed and relieved from my very first contact.

In the midst of the worst crisis of my life, I phoned Attorney Micklin’s firm on a Friday afternoon. After providing a brief review of my situation to his associate, I was amazed to learn that Attorney Micklin (Brad) would be available for a consult the very next morning, Saturday! I was confident at that moment that my research had led me to the right firm. Perhaps its common practice for him, but in a period of extremely high stress and uncertainty it meant a great deal to me that he was available so quickly to learn more about my situation and ultimately help me. Following our initial hour-long consult, I was happy to hear that he would be available to handle my case and we began to develop a strategy. He listened very carefully each time we spoke via phone or in person at his Nutley offices and provided me with the best legal options available based on the developments in my case. We also communicated via email when appropriate. Brad and his staff were always courteous and accommodating. I really could go on and on, but I will conclude with...It is without hesitation and with a great deal of gratitude that I recommend Attorney Brad Micklin and The Micklin Law Group.” – Dan B.

“I was completely at the end of my rope and locked in a battle with the Executor of my mother’s will when I was referred to Brad Micklin. Within six months Brad was able to resolve a conflict that four other attorneys could not accomplish in seven years! And I won the case. The Micklin Law Group, LLC was efficient, responsive, patient and compassionate. I am so grateful to Brad and his dedicated staff.” – Susan P.

“The professionalism of all the members of The Micklin Law Group is something that you can count on every step of the way.

More important, the concern and compassion Brad Micklin extends to you makes difficult issues bearable. Brad Micklin handled my sister’s divorce. When she later died without a will, Brad’s expert guidance in establishing her estate helped us all through a heartbreaking time. When you hire The Micklin Law Group you are receiving the expertise of attorneys and the true dedication of people who care about your feelings as well. I would recommend Brad Micklin as an attorney and an expert advocate for his clients legal needs and a truly compassionate person.” – Mary V.

“I must say that I am so happy with my choice of attorney. I felt that with Brad, I was not just another client but a person. He listened very attentively to all of my questions and concerns and communicated back very quickly. Professional to the fullest extent by delivering personalized attention which many attorneys don’t care to do. I would definitely use him again and refer him out to friends or family.” – Liz F.

“Brad and his team are very passionate and hard working. I won’t hesitate to work with him again!” – Craig H.

“The most experienced attorneys in the area. I felt so confident in every aspect with my case. I would highly recommend.” – Susan S.

“Brad Micklin is a bully’s worst nightmare. At a time when our world, more than ever, is steeped in narcissistic abuse, Brad’s firm is the only one I have ever found that has a deep working knowledge of this mental disorder.” – Robert W.
